Dear Kindergarten Families,

We are so excited to welcome your children to our classroom in August! We are going to have a great year! In the meantime, the summer is a wonderful time for families to read together! Attached is a list of great suggestions for summer reading but you and your child may choose any books you like. Please read to your child every day!

We have also included a calendar with simple daily suggestions to practice various skills. The summer is a great time to work on fine motor skills so we have also included suggestions for strengthening those skills. Writing numbers, letters- upper and lower case, and writing their name correctly are great skills to practice over the summer.

IXL is a useful tool for practicing both math and language arts. I have listed some math skills to practice using IXL. These are suggestions and you may adjust based on your child's personal needs.

These activities should only take about 10 minutes max per day, playing and spending time outdoors is equally as important!

We are excited to see you all soon! Have a safe and happy summer!

Love,

The Kindergarten Team

IXL Suggested Learning Objectives

Pre-K Math:

C.1	E.1	F.2	G.1	H.3	I.1	J.1	K.1	L.4
C.5	E.2	F.3	G.2	H.4	1.2		K.2	L.5
C.8	E.3	F.4	G.5				K.3	L.6
	E.6	F.6					K.4	
	E.7						K.5
