Dear 3<sup>rd</sup> Grade Parents,

In order to prepare for 3rd grade and to keep your child's skills sharp over the summer, your child will read one non-fiction book and one chapter book of choice.

Nonfiction- Please choose one of the "Who Was...." Series to read.

After reading the book, your child will complete a biography book report. The form is attached to this letter.

For the other novel of choice, your child will write a letter to one of the characters in the book. This letter should have a few questions for the character and talk about some things that they liked that happened in the book. It should be at least 5 sentences.

Additionally, as you read over the summer, please record any extra books that you complete on the attached reading log.

I am looking forward to all of the learning, growth, and success I will have with your child in the coming school year!

Enjoy your summer and your adventure in reading!

Warmly,

Ms. Alicia Madlala
