## SRS Gives Thanks...

Each year, our students and staff break bread together and give thanks for their many blessings—including friendships formed at SRS—at the annual Thanksgiving Feast.

# ...And Shows Thanks

This is a favorite tradition at SRS: Thanksgiving baskets for St. Raphael's maintenance staff. The school community puts together customized care packages for complete Thanksgiving dinners for all of the families of the facilities team. The families of SRS donate food and grocery gift cards as a way to say thank you to these unsung heroes, who do so much for St. Raphael School and Nursery School, as well as for the entire parish. "The parents were so generous," said SRS volunteer Sonia Lyne, who coordinated the project again this year. "We received a lot more donations than expected! I'm very grateful." Shown at right is Sonia's son Brady giving Rony his Thanksgiving basket. Each maintenance member also received a large card made by the students during Spanish class, guided by teachers Rosi Cevallos and Camila Samper.
