No sticks-in-the-mud!

A highlight of fifth grade at SRS is the class trip to Assateague Island. The students start their cross-curricular

learning by reading "Misty of Chincoteague" and end it with a visit to Assateague, where they waded in the marsh and survey

the beach to learn about the ecosystems there. This year was particularly muddy, which made the experience even more memorable!

Keep SRS a cut above the rest!

Collecting Box Tops for Education and Tyson Project A+ labels is an easy way to earn free money for SRS. Box Tops can be dropped off in the boxes in the church lobby or at the school reception desk.
