## Sponsor-A-Student

We at St. Raphael School are forever grateful to the many members of our community who were so generous during the construction of the parish Educational Building. At that time, we also heard from those who said they would like their donation to directly impact a child, so we introduced Sponsor-A-Student, a program that has assisted several students since its inception in 2011. Many parish families want their children to be in a Christ-centered classroom, but the unfortunate reality is that some simply cannot afford it. Sponsor-A-Student allows friends of St. Raphael to open the doors of our amazing school for those who wouldn't be able to attend on their own. Won't you consider giving a helping hand to a child right here in your own parish? Your donation of any amount will be eternally appreciated.

# Fish Tales

Second grade's visit to the National Aquarium in Baltimore is always a splash.

In fact, all of that exploring, learning, and fun can be downright exhausting! The field trip caps off the class' signature unit called "Habitats of Sea Life."
