4-Plus: At the intersection of growing and fun

We are so proud of our 4-Plus program. The classes are designed for older 4-year-olds and accommodate children who either don't make the birthday requirement for kindergarten (age 5 by Sept. 1) or who would benefit developmentally from another year of early-childhood education. After all, who wouldn't want one more year of playing, building, singing, praying, laughing, and creating—all while learning? For more information about our 4-Plus program, or any of our wonderful preschool classes, visit www.straphaelschoolmd.org and click on the "Preschool" tab.
